

Paying Fees with the Internet Credit Card Program (Pay.Gov)

All ECF participants who incur filing fees are required to pay them using the Internet credit card program on the day the associated case or document is filed. At the end of a filing for which a fee is due, an Electronic Payment window displays. If you are going to file further documents requiring fees that same day and wish to pay all fees for the day in one transaction, you may click **Continue Filing**. The payment window will reappear at the end of every event and you will need to click **Continue Filing** each time until you are ready to pay.

Exception: When filing a new petition, any fees that are due will be required to be paid before the filing of the petition is accomplished (i.e., the payment step appears in the middle of the filing process and must be successfully completed for the filing to be effected).

A. Paying Fees

You may access the Electronic Payment window either by filing a case or document requiring a filing fee, or by selecting **Utilities** and **Internet Payments Due**. The **Internet Payments Due** screen displays a summary of charges, including the date incurred, the description (i.e., document filed) and amount. You may break up the payment of fees in order to use various credit cards by checking the box next to the fees you want to pay; or click on **Select all** to pay all the fees due. After selecting the fees you want to pay, click **Next**.

STEP 1 Click **Pay Now**.

STEP 2 Re-enter your PACER password. A PACER screen will appear with the fee amount and any stored credit card or ACH information, as well as options to enter a credit card or ACH.

B. Consequences of Nonpayment

ECF participants who do not pay their credit card charges on the day of filing will have their electronic filing privileges suspended until they pay. In addition, the case or proceeding for which the fee is due may be dismissed or stricken. Repeated instances of failure to pay timely may result in permanent revocation of ECF filing privileges and/or referral to the case judge for further action.

To restore your suspended ECF privileges following suspension, login into CM/ECF, click on **Utilities**, and select **Internet Payments Due**. After completing the payment process, all menus should display. If they do not, refresh your screen.
