Rule 1002-1. Petition—General.

(a) Authority to File.

- (1) **Objection.** Any objection to the filing of a voluntary petition based on the debtor’s lack of authority to file the petition must be made by a motion filed no later than 14 days after the date the meeting of creditors is completed. Failure to object timely will be deemed a waiver of the objection.
- (2) **Conservatorship.** A certified copy of an order for conservatorship of the debtor must be filed with any petition filed by a debtor’s conservator.

(3) Voluntary Petition by Attorney in Fact.

(A) Prerequisites to Filing Petition. An attorney in fact may file a voluntary petition on behalf of a debtor only if:

- (ii)** a written power of attorney, valid under nonbankruptcy law, expressly authorizes the attorney in fact to file a bankruptcy petition on behalf of the debtor;
- (iii)** extraordinary circumstances exist warranting the commencement of a bankruptcy case under the authority granted by the power of attorney; and
- (iv)** the debtor is not an infant or an incompetent person.

(B) Duties of Attorney in Fact and Debtor; Limit on Authority of Attorney in Fact.

- (i)** The attorney in fact must sign the petition as attorney in fact for the debtor and file it with a copy of the power of attorney, the mailing address of the attorney in fact's dwelling house or usual place of abode or the place where the attorney in fact regularly conducts a business or profession, and a statement, signed under penalty of perjury, certifying each prerequisite in (A) and explaining the extraordinary circumstances described in (A)(iii).
- (ii)** The court will issue an order that the attorney in fact and the debtor show cause why the case should not be dismissed. Within 14 days after entry of the order, the debtor must file a statement, signed under penalty of perjury, either ratifying the filing of the petition and all statements in it or stating why the debtor cannot do so.
- (iii)** The attorney in fact may take no other action in the bankruptcy case on behalf of the debtor.
- (iv)** Without limiting (iii) above, the debtor must sign the schedules, statement of financial affairs, and all other documents filed by or on behalf of the debtor (other than the petition) and appear at the meeting of creditors.

(b) Chapter 7 or 13 - Consumer Debt Presumption. A case filed by an individual will be presumed to be filed by a debtor whose debts are primarily consumer debts unless another nature of debt is checked on the petition.

 - (I) A chapter 7 trustee, who must file on any LBF created solely for the trustee’s use (e.g., [753.50](#) (auctioneer), [753.55](#) (liquidator), [753.58](#) (collection agency), [753.60](#) (real estate broker), or [753.80](#) (appraiser)).
 - (II) A chapter 11 real estate broker or auctioneer.
 - (ii) Except for a chapter 7 trustee, an applicant preparing a notice is generally responsible for noticing the referenced application. Notices of multiple applications in a given case may be consolidated. An applicant who prepares and serves a notice on behalf of other applicants must notify the other applicants, and those other applicants must not also serve a notice. The cost of service must be borne by each applicant whose application is described in any notice in proportion to the total compensation or expense reimbursement requested.

(2) **Final Application.**

- (A) **General.** A final application for compensation or reimbursement of expenses must be filed as a proof of claim. An applicant must file a final application even if an interim application by the applicant is pending, or the court has awarded interim compensation that remains unpaid. An attorney’s disclosure statement filed under [FRBP 2016\(b\)](#) is not an application. The requirements of [\(b\)](#) apply to the reimbursement of expenses or travel time.
- (B) **Form.**
 - (i) **Attorney/Accountant.** An attorney must file on [LBF 345](#). An accountant must file on [LBF 345.7](#).
 - (ii) **Other Professional.** [LBF 345](#) must be used unless the professional is:
 - (I) Employed under [LBF 753.50](#) (auctioneer), [753.55](#) (liquidator), [753.58](#) (collection agency), [753.60](#) (broker), or [753.80](#) (appraiser).

(II) A chapter 11 real estate broker or auctioneer.

(C) **Timely Filing.**

- (i) **Chapter 7.** Unless the case has been converted, an application for compensation earned or expense reimbursement must be filed by the date the trustee's final report is filed. It is the applicant's duty to keep apprised of that filing date.
- (ii) **Chapter 11.** Unless the case has been converted or the plan provides otherwise, an application for compensation earned or expense reimbursement at least through plan confirmation must be filed no later than 28 days after entry of the confirmation order.

(D) **Untimely Filing.** The court may consider an untimely application if it is filed by the deadline in [§ 726\(a\)\(1\)](#), or in chapter 11. The applicant must file and serve any notice required by [FRBP 2002\(a\)\(6\)](#) under [LBR 2002-1\(b\)](#), and either:

- (i) **When No Notice Required.** Lodge a proposed order when filing the application, and clearly state in the title that no notice is required by [FRBP 2002\(a\)\(6\)](#).
- (ii) **When Notice Required and No Objection Filed.** No later than 28 days after the service, lodge a proposed order that includes a certification that no objection was timely filed.

(E) **Order in Chapter 11.** Promptly after expiration of the notice period with respect to [LBF 1190](#), the proponent of the confirmed plan must lodge an order awarding final compensation and reimbursement to professionals on [LBF 1193](#), and include in that LBF all professional fee or expense reimbursement applications noticed on [LBF 1190](#) for which no objection was timely filed.

(d) **Chapter 12.**

- (1) **Attorney.** An application for initial or supplemental compensation or expense reimbursement must be filed on [LBF 1214](#) no later than 28 days after service of the trustee's notice of plan completion. The applicant must file and serve notice of the application on [LBF 1214.5](#).
- (2) **Accountant.** An accountant's application for compensation or expense reimbursement must be filed on [LBF 345.7](#).

(e) **Chapter 13 Debtor's Attorney.**

- (1) **General.** A disclosure of compensation, any employment agreement, and an initial application for compensation must be filed on [LBF 1305](#) no later than 14 days after the first date set for the meeting

of creditors. Any amended disclosure must be filed on LBF 1305 no later than 7 days before the confirmation hearing.

- (2) **Postconfirmation Supplemental Compensation Application.** If permitted under the [LBF 1305](#) filed in the case, the application must be filed on [LBF 1307](#) no later than 28 days after service of the trustee’s notice of plan completion. The presumptively reasonable compensation for preparation of each [LBF 1307](#) is \$100.
- (f) **Converted Case.** An application for compensation earned or for reimbursement of expenses incurred before a case was converted must be filed on [LBF 345](#), and as a proof of claim. An application for compensation earned or for reimbursement of expenses incurred while a case was being administered in more than one chapter must separate the required information into a separate section for each chapter.
- (g) **Adversary Proceedings.** The deadlines under [LBRs 9021-1\(d\)\(2\)](#) and [\(3\)](#) for filing, or objecting to, a cost bill also apply to filing, and objecting to, a request for attorney fees in an adversary proceeding when the prevailing party seeks judgment for its attorney fees.
- (h) **Secured Creditor Expenses.** In this subdivision the term “expense” includes the costs of insurance, taxes paid, attorney fees, appraisal fees, and inspection fees.

(1) Chapter 7 or 11.

- (i) **Proof of Claim Required.** A secured creditor seeking reimbursement or payment of prepetition expenses must apply using a proof of claim. A secured creditor seeking reimbursement or payment of postpetition and preconfirmation expenses must apply using a proof of claim filed by the deadline in [\(c\)\(2\)\(C\)](#).
- (ii) **Declaration of Professional.** A proof of claim filed for postpetition expenses that includes a claim for compensation of professional services must also include a declaration from the professional that contains the following five points of information and representations:
 - (1) The declarant requests allowance of compensation for: Professional Services of \$____; Expenses of \$____; for a Total of \$____. Expenses claimed were actually charged to the declarant.
 - (2) [Rate based on hourly charge] The rate of compensation, number of hours, and requested fee for each person included in this application are summarized as follows:

------------	--------	--------	-----------

(names and initials) Title Rate Of Hours Fee

[Rate not based on hourly charge] The fees for services were calculated as follows:
(Describe). Services were provided by the following: (Identify by name).

- (3) The declarant has not shared or agreed to share any compensation received or to be received for services rendered in connection with this case, except with a regular member, partner, or associate of declarant's firm.
- (4) A description of the timekeeper's services and expenses is included and incorporated into the declaration.

(C) Notice of Claim or Amended Claim.

- (i) **General.** A creditor must contemporaneously give notice under [LBR 2002-1\(b\)](#) of its intent to be paid by the estate unless notice is not required under (ii). If notice is not required, the creditor must clearly state that fact, and the applicable exception, in the first page immediately after the proof of claim form.
- (ii) **Exceptions.** A secured creditor filing a proof of claim that includes a request for compensation or reimbursement of expenses must give notice of the claim to all parties entitled to notice under [FRBP 2002\(a\)](#), except as follows:
 - (I) If the request does not exceed the noticing threshold in [FRBP 2002\(a\)\(6\)](#).
 - (II) If a secured creditor seeks payment of expenses from the proceeds of sale of collateral, and the creditor informs the trustee of the amount of the requested expenses no later than three business days after being notified in writing by the trustee of the proposed sale, the trustee must include notice of the claimed expenses in the notice of proposed sale. The creditor must also file or amend a proof of claim for those expenses no later than 14 days before the deadline for timely objection to the sale.
 - (III) In a chapter 11 case, if the creditor files the proof of claim no later than 28 days after entry of the plan confirmation order, then the plan proponent must serve the claim or notice of the claim with the notice of confirmation on [LBF 1190](#).

(iii) **Notice Expenses.** If a creditor has had the opportunity to have notice of its claim served as part of a notice of proposed sale or plan confirmation, but does not do so, the creditor must serve notice of the claim at the creditor's expense and without increasing its claim.

(D) **Holdback for Expenses If Order Not Entered, but Sale Can Close.** If the court has not entered an order regarding an expense claim when the collateral sale closes, the trustee must, until the court enters an order regarding the expense claim, retain in trust for the secured creditor 150% of the amount the creditor sought for expenses, which amount will be impressed with the creditor's security interest or lien.

(2) **Chapter 12 or 13.**

(A) **Inclusion of Expenses in Proof of Claim.** A secured creditor who requests payment of expenses by the trustee must also:

disclose its claimed entitlement to payment of the expenses either by filing and serving on the debtor a notice of the expense claim, or by including the expense claim in the creditor's proof of claim. A secured creditor may elect to include some expenses in its proof of claim, and other expenses in a notice. If the creditor incurs the requested expense in connection with a claim described in [FRBP 3002.1\(a\)](#), the creditor must comply with [FRBP 3002.1](#).

(i) **Information Required in a Notice.** A notice provided pursuant to (B) must: (I) state that the creditor asserts the right to expenses as part of its secured claim and does not request payment by the trustee, and (II) set forth the amount of the claim for expenses to the extent known at the time the notice is filed and any interest rate charged on accrued expenses.

(ii) **Deadline to Give Notice.** A creditor that asserts a claim for prepetition expenses must give notice of its claim by the deadline for that creditor to file a proof of claim. Except for expenses incurred in connection with a claim described in [FRBP 3002.1\(a\)](#), a creditor that asserts a claim for postpetition expenses must make its disclosure no later than the 90th day before the debtor is scheduled to make the final plan payment. If the creditor incurs the postpetition expense in connection with a claim described in [FRBP 3002.1\(a\)](#), the creditor must also comply with [FRBP 3002.1](#).

(C) **Itemization of Expenses.** No later than 28 days after service of a request, a secured creditor must give a written itemization of the expenses not set forth in a proof of claim.

Rule 5005-4. Electronic Filing.

(a) **Administrative Procedures.** The *Administrative Procedures for the Electronic Case File System* (Administrative Procedures) ([LBF 125](#)) govern ECF and its use, and govern in the event of a conflict between the Administrative Procedures and an LBR, LBF, or GO. Each provision and procedure in the most current version of the Administrative Procedures available when a document is filed applies to filing the document.

(b) **Mandatory Electronic Filing.**

- (1) An attorney or trustee who files or lodges documents, or a creditor who has filed more than 10 documents (e.g., claims, transfers of claims, ~~and assignments of claims mortgage notices, special notice requests, etc.~~) in any calendar year, must ~~thereafter do so~~ **file or lodge documents** electronically using ECF or another program provided by the clerk for this purpose, ~~except as provided under an LBR or the Administrative Procedures.~~
- (2) An attorney, trustee, or creditor unable to file electronically may apply for a waiver of the requirement to file electronically either for a limited time or for the duration of a specific case or adversary proceeding. A request must be made by letter addressed to the clerk showing good cause to file and serve documents on paper, and explaining why the attorney, trustee, or creditor is unable to comply, the steps being taken to be able to comply, and how long those steps will take. The chief judge or a designee will act upon the request.
- (3) An ECF Participant must purchase, install, use, and regularly update anti-virus software (i.e., at least weekly and immediately upon notification of any anti-virus software update) at all locations from which the Participant accesses ECF or PACER.
- (4) Unless local counsel is an ECF Participant who will be responsible for filing and lodging documents, an attorney appearing *pro hac vice* must register to become an authorized ECF Participant no later than 14 days after entry of the order authorizing the attorney's appearance, and promptly begin electronic filing and lodging or comply with the procedure in (2).
- (5) In the event of an unanticipated inability to use ECF due to a noncourt technical failure, the ECF Participant must prepare and submit a certification regarding inaccessibility with each document filed or lodged on paper.
- (6) In the event of an unanticipated inability to use ECF due to the court's technical failure, the ECF Participant must prepare and submit a certification of that inability with each document filed or lodged on paper.

- (7) An ECF Participant must keep the Participant's unique ECF information current at all times (e.g., name, service address, contact name and telephone number). An ECF Participant must also maintain adequate e-mail capacity (e.g., for receipt of notices and service). A failure to do so will not relieve the ECF Participant of any provision in an LBR, a GO, an LBF, the Administrative Procedures, or a related document.
- (8) An ECF Participant is solely responsible for the accuracy and completeness of, and any necessary redaction as to, all data the ECF Participant electronically enters into ECF, and for effecting any required amendment and notice of amendment.

(c) Effect of Electronic Filing.

- (1) A paper document is the official record of the filing of the document until the document has been electronically entered into ECF. After entry into ECF, the clerk will destroy the paper document.
- (2) An electronically filed document will be deemed to have been signed as required by [FRBP 9011](#) by the ECF Participant to whom the court has assigned the login name used for the filing or on whose behalf a filing agent files the document. An ECF Participant is solely responsible for the use and control of the ECF Participant's login and password. The ECF Participant is also responsible for any actions taken by a filing agent on the ECF Participant's behalf and for the timely deactivation of a filing agent when the filing agent is no longer authorized to file on the ECF Participant's behalf.

(d) ECF Participant Waiver. By accepting an ECF login and password, an ECF Participant waives the right to receive notice or other documents, including notice of the entry of an order or judgment under [FRBP 9022](#), by any manner other than electronically, and agrees to accept all service electronically, but that waiver and agreement do not apply to service of a document that is required by any FRBP to be served other than electronically on a party (i.e., as opposed to an ECF Participant attorney for that party).

(e) Retention of Original Document. An electronically filed document described in [FRBP 1008](#) or a properly completed, signed, and filed [LBF 5005](#) with respect to the document and a scanned electronic replica of the signed document must be maintained by the filing ECF Participant or the firm representing the party on whose behalf the document was filed in its original paper form until the later of the closing of the case or the fifth anniversary of the filing of the document, except as otherwise provided for trustees by the U.S. Department of Justice. The filing ECF Participant or firm retaining the original document or [LBF 5005](#) and scanned electronic replica of the document must produce it for review upon receipt of a written request.

(f) Filing Deadline for Electronically Filed Document or Docket Entry.

- (1) Filing electronically does not alter the filing deadline. Electronic filing must be completed before midnight Pacific time to be considered filed on that day.

- (2) An ECF Participant whose filing is untimely due to a technical failure of a court-controlled aspect of the ECF system may seek appropriate relief from the court.

 - (A)** A brief addressing applicable law and explaining why there exist no genuine issues of material fact to be tried.
 - (B)** A concise statement articulating only the undisputed relevant material facts essential for the court to decide the motion that is prepared under (c).
- (2) Required Judge’s Copies.** Two paper copies, each certified as a true copy, of the motion and supporting documents, including tabs for the documents if there are more than two attachments or exhibits to any of the documents, must be promptly delivered to the court, and must be clearly marked “JUDGE’S COPY.”
- (3) Filing Deadline.** A motion must not be filed less than 50 days before the date set for trial. A motion to allow a filing fewer than 50 days before the trial date must include a detailed explanation why the motion could not have been filed earlier.

(b) Opposition and Reply Requirements.

- (1) Any opposition must be accompanied by a separately filed response to the concise statement that is no longer than five pages (unless approved by the court in advance), and responds to each numbered paragraph of the movant's facts by:
 - (A) Accepting or denying each fact in the movant's concise statement.
 - (B) If applicable, articulating opposition to the movant's contention or interpretation of the undisputed material fact.
- (2) After responding to the movant's numbered paragraphs, the responding party may concisely state under (c) other relevant material facts which are at issue or are otherwise necessary for the court to determine the motion.
- (3) The movant may reply under (1) to the responding party's additional facts.

(c) Concise Statement.

- (1) Each fact must be stated in a separately numbered paragraph. A party must cite to a particular affidavit, deposition, or other document supporting the party's statement, or denial of the material fact; citations should be made with particularity (e.g., to page and line numbers or paragraph numbers).
- (2) A party must refer only to the material facts necessary for the court to determine the limited issues presented in the motion and to no others.
- (3) Documents to which reference is made in the concise statement must not be filed in their entirety. Instead, the filing party must extract and highlight only the relevant parts of each referenced document. Photocopies of extracted pages, with appropriate identification and highlighting, will be adequate.
- (4) Unless approved by the court in advance, neither the concise statement, nor any reply to a responding party's statement, may be longer than five pages.

(d) Briefing Requirements. [LBR 7007-1\(b\)](#) applies.

(e) Scope of Judicial Review. Unless otherwise required by law, when resolving a motion the court has no independent duty to search and consider any part of the court record not referenced in the concise statement.

(f) Admission of Material Facts. For purposes of a motion, material facts in the concise statement of the movant, or in the response to the movant's concise statement, may be deemed admitted unless specifically denied or otherwise controverted by a separate concise statement of the opposing party.

Rule 7067-1. Registry Fund.

- (1) Motion.** A motion must include (A) the amount of money to be deposited, (B) the name and address of each entity that may have a claim to the money, and (C) the name and address of any attorney for such entity.
- (2) Order.** No money shall be sent to the Court for deposit in the Court’s registry prior to entry of an authorizing court order.
- (3) Deposit.** Upon entry of the order, the depositor must deliver a money order, cashier’s check, or certified check payable to “Clerk, U. S. Bankruptcy Court” in the amount of the deposit. All monies ordered to be paid to the Court in any pending or adjudicated case shall be deposited with the Treasurer of the United States in the name and to the credit of this Court pursuant to 28 U.S.C. § 2045 through depositories designated by the Treasury to accept such deposit on its behalf.

(b) Investment of Registry Funds.

- (1)** Funds on deposit with the Court are to be placed in the Court Registry Investment System (“CRIS”), an interest-bearing account administered by the Administrative Office of the United States Courts under 28 U.S.C. § 2045.
- (2)** Interpleader funds deposited under 28 U.S.C. § 1335 meet the IRS definition of a “Disputed Ownership Fund” (DOF), a taxable entity that requires tax administration. Interpleader funds must be deposited in the DOF established within the CRIS and administered by the Administrative Office of the United States Courts, which shall be responsible for meeting all DOF tax administration requirements.

- (3) The Director of the Administrative Office of the United States Courts is designated as custodian for CRIS. The Director or the Director's designee shall perform the duties of custodian. Funds held in the CRIS remain subject to the control and jurisdiction of the Court.
- (4) Money from each case deposited in the CRIS shall be "pooled" together with those on deposit with Treasury to the credit of other courts in the CRIS and used to purchase Government Account Series securities through the Bureau of Public Debt, which will be held at Treasury, in an account in the name and to the credit of the Director of Administrative Office of the United States Courts. The pooled funds will be invested in accordance with the principals of the CRIS Investment Policy as approved by the Registry Monitoring Group.
- (5) An account for each case will be established in the CRIS Liquidity Fund titled in the name of the case giving rise to the investment in the fund. Income generated from fund investments will be distributed to each case based on the ratio of each account's principal and earnings to the aggregate principal and income total in the fund after the CRIS fee has been applied. Reports showing the interest earned and the principal amounts contributed in each case will be prepared and distributed to each court participating in the CRIS and made available to litigants and/or their counsel.
- (6) For each interpleader case, an account shall be established in the CRIS Disputed Ownership Fund, titled in the name of the case giving rise to the deposit invested in the fund. Income generated from fund investments will be distributed to each case after the DOF fee has been applied and tax withholdings have been deducted from the fund. Reports showing the interest earned and the principal amounts contributed in each case will be available through the FedInvest/CMS application for each court participating in the CRIS and made available to litigants and/or their counsel. On appointment of an administrator authorized to incur expenses on behalf of the DOF in a case, the case DOF funds should be transferred to another investment account as directed by court order.

(c) Deductions of Fees.

- (1) The custodian is authorized and directed by this Rule to deduct the CRIS fee of an annualized 10 basis points on assets on deposit for all CRIS funds, excluding the case funds held in the DOF, for the management of investments in the CRIS. According to the Court's Miscellaneous Fee Schedule, the CRIS fee is assessed from interest earnings to the pool before a pro rata distribution of earnings is made to court cases.
- (2) The custodian is authorized and directed by this Rule to deduct the DOF fee of an annualized 20 basis points on assets on deposit in the DOF for management of investments and tax administration. According to the Court's Miscellaneous Fee Schedule, the DOF fee is assessed from interest earnings to the pool before a pro rata distribution of earnings is made to court cases. The custodian is further authorized and directed by this Rule to withhold and pay federal taxes due on behalf of the DOF.

(d) Procedure for Withdrawing Deposited Funds.

- (1)** Monies will be disbursed by the clerk from the registry fund only under an order that includes the following:
 - (A)** The name and address of each entity receiving the funds, and the name and address of any attorney for the entity.
 - (B)** With respect to each entity who is to receive a disbursement, the amount of principal and the percentage of any accrued interest to be paid.
 - (C)** The total amount of funds to be withdrawn if less than the total amount in the account.
- (2) Payment by Clerk.** After entry of an order authorizing disbursement of registry fund monies, counsel for the person(s) receiving any accrued interest must complete the AO 213, Vendor Information/TIN Certification form, and forward the form to the court's financial administrator. After expiration of the time to file a notice of appeal, deposited funds will be disbursed by check payable to each entity entitled to the funds in care of any attorney of record for the payee.

Rule 7069-1. Judgment—Execution.

To execute on a bankruptcy court money judgment, the judgment creditor must register the bankruptcy court judgment in an appropriate state or other nonbankruptcy court. The clerk must certify, at no cost, copies of documents required for registration or transcription of judgments. Certification at no cost is for the administrative convenience and economic efficiency of the court.

Rule 9005.1-1. Constitutional Challenge to a Statute.

A notice of constitutional question must be accompanied by a proposed form of certification under [28 U.S.C. § 2403](#) for execution and transmission by the court to the United States Attorney General or state attorney general, as appropriate.

Rule 9009-1. Forms—Local (LBF) & Official (OF).

- (a) **Availability.** The LBFs and OFs are available on the court’s website at www.orb.uscourts.gov. In response to a written request at a clerk’s office location, accompanied by a 9"x12" SASE that includes sufficient first-class postage to mail a two-pound package if the request is mailed, the clerk will provide, without cost, one master copy of all LBFs required for use. A request of the clerk’s office must be accompanied by a written certification that the requestor does not have access to the Internet.
- (b) **Applicable Version.** When filed, an LBF or OF must be on the most current version available at the time of filing. If a trustee is specifically named in an LBF’s preprinted text, the filing party must use the version of the LBF naming the case trustee.
- (c) **Preparation.** If an LBF or OF is prepared on a form other than the one available on the court’s website, the document must be identical in both format and text (i.e., a “mirror” image) to the most current version of the LBF or OF available on the court’s website that is applicable at the time the form is filed. The clerk need not serve any document or notice that cannot readily and legibly be converted into PDF format.

Rule 9010-1. Attorney—Notice of Appearance; Withdrawal.

(a) Attorney Admission.

- (1) **General.** To appear before the court, an attorney must be admitted to practice before the district court.
- (2) **LRs 83-1 through 83-12.** [LRs 83-1 through 83-12](#) apply to an attorney practicing before the court, except as follows:
 - (A) **“This Court” Defined.** References to the court and the clerk mean the bankruptcy court and bankruptcy court clerk.
 - (B) **CM/ECF Registration.** The provisions in [LR 83-1](#) regarding CM/ECF registration do not apply. [LBR 5005-4](#) applies.
 - (C) **Pro Hac Vice.** [LR 83-3](#) regarding *pro hac vice* admission applies to practice before the court, but no admission fee is charged, and the application for admission must be submitted to the clerk on [LBF 120](#). An attorney admitted *pro hac vice* will not be considered an attorney of record.

(D) Proof of Claim and Stipulation. A creditor, acting without an attorney or through an attorney, whether or not the attorney is admitted to practice before this court generally or for a particular case, may file and amend a proof of claim and sign a stipulation allowing, modifying, or disallowing the proof of claim.

(3) Change of Address. In addition to the notice of change of an attorney's address required by the district court, an attorney must give notice in this court of the address change under (A) or (B).

(A) Attorney Will Remain Attorney of Record for All Pending Cases and Adversary Proceedings.

(i) ECF Participant. The attorney must change the attorney's address in ECF.

(ii) Non-ECF Participant. The attorney must submit a letter to the clerk that includes the attorney's OSB#, new address and its effective date.

(B) Attorney Will Not Remain Attorney of Record for All Pending Cases and Adversary Proceedings. The attorney must ensure that a notice of substitution of attorney is filed in each case and adversary proceeding by the attorney to whom the case or adversary proceeding is being transferred. A single notice of substitution that includes the case number or adversary proceeding number, and related caption party name(s), for each case and proceeding to be transferred may be prepared and used for the filing in each affected case and proceeding.

(b) Attorney of Record/Lead Attorney.

(1) Attorney of Record. An "attorney of record" is the attorney upon whom service is to be made, and to whom notices will be directed by the court. A party's attorney of record will normally be the first attorney admitted to practice before both the OSB and the district court that is named on the initial document filed for the party. A law firm or professional corporation will not be considered the attorney of record for any party. A party may change its attorney of record at any time by filing and serving a notice of substitution of attorney of record. If a party has an attorney of record, the name of the attorney of record must appear on each document filed on behalf of the party, but a document may be signed by another member of that attorney's firm.

(2) Lead Attorney. If a Non-ECF Participant attorney for a party has an agreement with an ECF Participant attorney to electronically file documents for the party, the ECF Participant will be designated, and considered by the court, as the "lead attorney." An attorney designated as a lead attorney for a party will be considered the attorney of record for the party until such time as another ECF Participant is substituted as the attorney of record for that party.

(c) Representation of an Organization. An organization, other than a corporate standing or panel trustee, must be represented by an attorney except to prepare and file a proof of claim. In this subdivision,

“organization” includes a corporation, partnership, association, trust, limited liability company, limited liability partnership, conservator, guardian, and any other entity that is not an individual.

(d) **Substitution of Attorney.** An attorney who proposes to be substituted for an attorney of record must file a notice of substitution in each affected case or adversary proceeding.

(e) **Limited Scope Representation by Debtor’s Attorney in an Individual Chapter 7 Case; Required Services in Fee Agreement.**

An attorney who agrees to file or assist a debtor in filing a bankruptcy petition, but not to represent the debtor in all matters relating to a case, must enter into a written fee agreement with the debtor that includes a detailed description of all services that the attorney will perform on behalf of the debtor. Before the debtor signs the fee agreement, the attorney must provide written disclosures that clearly explain to the debtor additional duties that the debtor may be required to perform without the attorney’s assistance and the associated risks. The debtor must sign and date an acknowledgment of receipt of the disclosures. At a minimum, the agreement must provide that the attorney will perform the following services:

- (1) Counsel the debtor with regard to all bankruptcy and nonbankruptcy options, and the potential benefits and detriments of each.
- (2) Assist the debtor with all aspects relating to the preparation of the petition, including educational requirements and explaining the effects of a discharge.
- (3) File the petition.
- (4) Assist with all matters up to and through conclusion of the meeting of creditors, including informing the debtor of key deadlines, such as objecting to discharge, which may occur after the meeting of creditors. Adversary proceedings, however, may be specifically excluded from the agreement.
- (5) Represent and counsel the debtor with respect to the reaffirmation, redemption, surrender, or retention of consumer goods securing obligations to creditors. The attorney is not required to sign the attorney certification that is part of the reaffirmation agreement or appear at a hearing for court approval of a reaffirmation agreement.
- (6) Assist and respond to requests for information and documents from the Chapter 7 case trustee, including responding to motions for turnover.

(f) **Withdrawal of Attorney.**

- (1) **Motion and Supporting Declaration.** In addition to the requirements of [LR 83-11](#) and the Oregon Rules of Professional Conduct (ORPC), a request by an attorney to withdraw as attorney of record for a debtor must be made by motion with a supporting declaration and include a proposed order. Except to the extent inconsistent with the ORPC, the motion, declaration, and proposed order must:

- (A) State the relief sought, including proposed handling of unearned or earned and unpaid fees;
- (B) In a joint-representation case, state whether the attorney seeks to withdraw as to one or both of the debtors and identify any debtor whom the attorney will continue to represent;
- (C) Identify all pending matters and proceedings in the case and the current status of each, including any hearing dates and upcoming deadlines in any jointly administered or any related case, matter, or proceeding;
- (D) State the reasons withdrawal is sought;
- (E) Summarize the efforts made to communicate with the debtor and, if a response was received, whether the debtor consents to the withdrawal;
- (F) State the debtor's last-known contact information, including physical address, phone number, and, if authorized by the debtor, an e-mail address; and
- (G) If withdrawal is sought before completion of services under a fee agreement, set forth any facts in support of retention of fees received or payment of additional fees.

- (2) **Motions to Withdraw by a Debtor's Attorney Providing Limited-Scope Representation in Individual Chapter 7 case Upon Completion of All Services.** In addition to the requirements in (1) above, if the attorney has entered into a limited-scope representation agreement in an individual chapter 7 case, the motion must include: (A) a certification that the attorney has performed all services required by the fee agreement, and (B) copies of the fee agreement and the written disclosures that were provided to the debtor before the debtor signed the fee agreement.

- (a) **Notice of Settlement.** A movant or plaintiff must promptly inform the court when a contested matter or adversary proceeding is settled.

- (b) **Request for Extension or Continuance.**
 - (1) **Evidentiary Hearing.** A request for extension of a time limit or for continuance of any evidentiary hearing must be by motion supported by a certification demonstrating good cause, appropriate use of prior time, and that the continuance is being requested at the earliest time practical. The motion must state the number of prior continuances, that the moving party has consulted with the opposing counsel regarding the request, and whether the opposing counsel consents or objects to the requested continuance. This subdivision applies even if all parties stipulate to the continuance.

 - (2) **Nonevidentiary Hearing or Conference.**
 - (A) A request must state each affected party's response to the request or attempts that have been made to gain each party's consent.

 - (B) If the continuance request is granted, the movant must serve notice of the date, time, and location of the continued hearing on all affected parties, and file a certification of that service within two business days after receiving the information from the court.

- (c) **Reminders to the Court of Matter Under Advisement for More Than 60 Days.**
 - (1) **Initial Reminder.** In the event a judge has under advisement any matter, including a motion or decision in a bench trial, more than 60 days, each party affected by the matter must send the judge a letter particularly describing the matter and stating the date the matter was taken under advisement.

 - (2) **Continuing Reminders.** If a matter remains under advisement for more than 105 days, each affected party must send a letter similar to the one required in (1) to the judge and to the chief judge of the court promptly, and at intervals of 45 days thereafter.

- (c) **Meeting of Creditors.** A law student may appear at a meeting of creditors only with the consent of the client, the supervising attorney, and the trustee.
- (d) **Notice Regarding Appearance.** The supervising attorney seeking consent for a law student to appear in court must file a notice at least seven days before the first hearing or trial in which a law student will appear. The notice must include (i) a statement that the supervising attorney has on file a copy of the eligibility certification issued under [RFA 13.25](#), and (ii) the written and signed consent of the client to student representation. A timely filed notice constitutes the court's consent under [RFA 13.10\(6\)](#).

Rule 9011-3. Sanctions, Remedies, & Suspension/Disbarment.

- (a) **General Sanctions and Remedies.** A party or attorney who without just cause fails to comply with any provision of an LBR, FRCP, FRBP, LR, statute, or order; fails timely to notify the court of withdrawal, lack of opposition, settlement or proposed continuance of any matter; presents to the court unnecessary contested matters or adversary proceedings, motions, or unwarranted opposition; fails to appear or prepare for presentation to the court; or otherwise multiplies the proceedings in a case to increase costs unreasonably or vexatiously, may be subject to one or more of the following remedies:

- (c) **Suspension/Disbarment.** An attorney suspended or barred from the practice of law before any court may be served with an order to show cause why the attorney should not similarly be suspended or barred from practice before this court until the attorney is reinstated as an active member in good standing of that other court.

A plaintiff’s or movant’s exhibit must be consecutively numbered beginning with a “1.” A defendant’s or respondent’s exhibit must be consecutively lettered beginning with an “A.” The page number of the exhibit, and total number of pages in the exhibit, must follow the exhibit number or letter on each page of each exhibit (e.g., “Ex. A - pg. 1 of 3” for a defendant’s/respondent’s first exhibit that has three pages). Unless otherwise provided in a scheduling order, each party must provide the original and three copies of its exhibits, plus an additional copy for each party participating in the hearing. Each set of exhibits must be accompanied by an exhibit list. The court may exclude or limit the use of any exhibit not prepared or presented in compliance with this LBR.
- (c) **Audio/Visual Equipment.**
- (1) **General.** Each party must provide all audio or video equipment for use in a court proceeding except to the extent the court can make equipment available under (2). A party or the party’s attorney must make arrangements before the hearing or trial with the courtroom deputy clerk to move the equipment through security and position it in the courtroom.

- (2) **Court Equipment.** The court has a limited variety of audio and visual equipment available for use at trial. A party must notify the court and courtroom deputy clerk no later than 14 days before the hearing of a need to use the court's equipment and meet with the courtroom deputy clerk before the hearing to learn how to operate the equipment. The court may, in the interest of fairness and efficiency, limit the use of audio or visual equipment, or condition its use on its availability to all parties.
- (d) **Large Exhibit.** A large exhibit unsuitable for storage by the court may be returned to the party introducing it for retention until the matter is no longer subject to appellate review. A party storing an exhibit under this LBR must produce it if required for an appellate record.
- (e) **Return or Disposal of Exhibits upon Finality.** Thirty days after a matter is no longer subject to appellate review, the party that offered an exhibit may have it returned without order upon a written request stating that no appeal is pending and the case or proceeding is final. The requestor must furnish the clerk with a SASE or make other appropriate arrangements for delivery of the exhibit. If a party does not request that an exhibit be returned within 60 days after a matter is no longer subject to appellate review, the clerk may destroy or otherwise dispose of it without further notice.

Rule 9018-1. Sealed or *In Camera* Documents Filed Under Seal or Submitted Unfiled for Review in Chambers.

~~(a) Filing.~~

~~(1)(a) General.~~ The court will seal only an entire document; it will not seal parts of a document. Documents permitted to be filed on paper will be scanned, entered into ECF, and then promptly destroyed unless filed with a SASE for return to the filer after entry.

~~(2)(b) Order Allowing Sealed Documents.~~ A document must not be filed **under seal or submitted to the clerk for filing under sealing, or lodged for *in camera* review,** until an order has been entered allowing the **sealing filing or lodging.** The form of **A** proposed order must state:

~~(A) The names of all individuals authorized to view review, copy, photograph or inspect the document without prior written approval.~~

~~(B) If filed, the length of time the document will be sealed.~~

~~(b) Review or Reproduction.~~ An individual may not review or reproduce any sealed document, or document lodged for *in camera* review, unless authorized by order.

~~(c) Large Document.~~ A large document ordered to be sealed, or filed for *in camera* review, that the clerk is unable to store must be returned to the filing party for retention until the matter with respect to which the document was considered is finally determined by the court and no longer subject to appellate review. A party receiving the document must produce it if required under an order or for an appellate review.

- (c) **Proposed Orders.** To avoid unauthorized access, a proposed order approved for sealing upon entry must be submitted by filing it as a sealed document.
- (d) **Unfiled Documents for Review in Chambers.** A party may not submit an unfiled document to a judge unless the judge specifically authorizes the submission.

Rule 9019-1. Settlement & Compromise.

~~(a) — **Settlement Conference.**~~

- ~~(1) A judge may order or a party may request a conference at any time.~~
- ~~(2) [LR 16-4\(e\)\(2\), \(f\)\(3\)-\(5\), \(g\), \(i\), and \(k\)](#) apply to cases or proceedings. References in [LR 16-4\(f\)](#) to a “mediator” include a judge conducting a settlement conference.~~

~~(b) — **Notice.** The party requesting approval of a compromise or settlement must give notice under [LBR 2002-1\(b\)](#) of its intent to submit a proposed order to that effect, except that a chapter 7, 12, or 13 trustee must use the appropriate LBF (e.g., [761](#) or [761.2](#)).~~

- (a) **Mediation Options.** This LBR applies to any court-ordered or voluntary mediation among parties to a contested matter or adversary proceeding. “Mediation” means judicial settlement conference, court-sponsored mediation, or private mediation.
- (b) **Judicial Settlement Conference.** The assigned judge may, at the request of a party or on the court’s motion, order parties to participate in a settlement conference with another sitting or retired federal judicial officer at any time. Under this LBR, a judicial officer serving in that capacity is a mediator.
- (c) **Private Mediation.** The parties may agree to mediation with a private mediator. The parties may seek an order from the court permitting private mediation and must select and compensate the mediator and, in conjunction with the mediator, agree to the time, place, and duration of the mediation.
- (d) **Procedure Applicable to All Forms of Mediation.** This subsection applies to all mediation proceedings and to each person serving as a mediator.
 - (1) **No Stay of Action.** Unless ordered by the assigned judge, mediation will neither stay nor change any deadlines or event dates, including trial, in a matter or proceeding.

- (2) **Judicial Immunity.** From entry of the order appointing the mediator through conclusion of the mediation, the mediator acts as an officer of this court and has derived judicial immunity.
- (3) **Orders.** The mediator has no authority to enter any order regarding the mediation. If the mediator desires entry of an order with respect to the mediation, the mediator must apply to the assigned judge with notice to the parties.
- (4) **Disqualification.** No person may serve as a mediator if the person would be disqualified (a) under 28 U.S.C. § 144 if the person were a district judge presiding over the matter or proceeding or (b) under 28 U.S.C. § 455 if the person were a justice, judge, or other judicial officer presiding over the matter or proceeding, unless the parties consent in writing after disclosure.
- (5) **Information; Scheduling.** After entry of an order referring a case to mediation, the parties must provide any information requested by the mediator. The mediator may schedule a preliminary conference before the mediation and may also require the parties to participate in the preliminary conference along with their attorneys.
- (6) **Participation by Counsel and Parties.**
 - (A) Unless otherwise approved by the court, the responsible attorney for each party must attend any mediation proceeding in person, including any additional sessions, and must be prepared to discuss in good faith—
 - (i) all liability issues,
 - (ii) all damage issues, and
 - (iii) the position and interests of the attorney’s client regarding settlement.
 - (B) Unless excused by the mediator, a person with complete settlement authority for each party must attend the mediation proceeding in person. But the United States may be represented by the trial attorney.
 - (C) Where a party’s defense is provided by a liability insurer, a representative of the insurer, unless excused by the mediator, must attend the mediation proceeding and have full authority to bind the insurer to a settlement.
 - (D) Unless excused from attendance by the mediator, an attorney’s or party’s willful failure to attend the mediation when required must be reported to the court by the mediator and may result in the imposition of sanctions.
- (7) **Privilege.** Unless otherwise agreed by all parties and the mediator in writing—

- (A) Mediation proceedings (including all statements made by a party, attorney, or other participant, and any memorandum or written submission provided to the mediator) are privileged and, unless otherwise authorized by the Federal Rules of Evidence, will not be reported, recorded, or otherwise placed in evidence, made known to the assigned judge, or construed for any purpose as an admission against interest.
- (B) No party will be bound by anything done or said in any mediation proceeding unless a settlement is reached, in which event the agreement will be recited orally and recorded or reduced to writing and will be binding on all parties. In any dispute regarding the terms of the settlement, the terms of the settlement as communicated by the mediator and accepted by the parties are not privileged.
- (8) **Postmediation Notification to Court by Mediator.** As soon as reasonably practicable, and in no event later than the earlier of 14 days after the mediation has concluded or 7 days before any hearing or trial date, the mediator must notify the court in writing (which notice must not be filed, but must be mailed or e-mailed as requested by the assigned judge) whether the mediation proceeding was held and whether the matter has been settled or additional time is needed to reach or implement a settlement. The mediator must also disclose any willful failure to attend or participate in the mediation proceeding by any party or their counsel. The mediator shall provide copies of the communication to the court to all participants or, if represented, to their counsel.
- (9) **Termination of Mediation or Withdrawal of Mediator.** A court may withdraw any matter from mediation on its own order or upon request of any party, the United States trustee, or the mediator. Unless the parties and mediator agree otherwise in writing, any and all duties and responsibilities of the mediator terminate upon the filing of the report by the mediator required in (8) above.
- (e) **Notice of Settlement.** If a settlement or compromise is subject to FRBP 2002, the party requesting approval of a settlement must give notice under LBR 2002-1(b) of its intent to submit a proposed order approving the settlement, except that if a trustee is a party to the settlement, the trustee must use the appropriate LBF if one is available.

~~Rule 9019-2. Alternative Dispute Resolution (ADR)—Mediation.~~

~~(a) Assignment of Matter to Mediation.~~

~~(1) Order.~~

- (A) **~~General.~~** ~~The court may assign a matter to mediation on its own motion or on motion of a party or the UST on LBF 202 or LBF 202.5, whichever applies. Notwithstanding assignment of a matter to mediation, the matter will be set on the court's next available hearing date.~~
- (B) **~~Stipulation.~~** ~~The court may refer any matter to mediation by entering a stipulated order lodged on LBF 204 or LBF 204.5, whichever applies.~~

- (2) **Mediation Procedure.** ~~Upon assignment of a matter to mediation, this LBR becomes binding on all parties to the mediation.~~

(b) **Appointment of Mediator.**

- (1) ~~If the parties cannot agree on a mediator within seven days after assignment to mediation, each party must submit to the judge but not file and serve on the other mediation parties a list of four acceptable mediators. The judge must appoint a mediator and an alternate mediator from the parties' lists.~~
- (2) ~~If the selected mediator is unable to serve, the selected mediator must file a notice of inability to accept appointment within seven days after receiving the notice of appointment and immediately serve it on the alternate mediator. The alternate mediator becomes the mediator if the alternate mediator fails to file a notice of inability to accept appointment within seven days after the original mediator's inability notice was filed. If neither mediator can serve, the judge will appoint another mediator and alternate mediator from the parties' lists.~~
- (3) ~~A mediator may be disqualified for bias or prejudice under [28 U.S.C. § 144](#), or if not disinterested under [§ 101](#). A mediator must be disqualified in any matter to which [28 U.S.C. § 455](#) would apply if the mediator were a justice, judge, or magistrate unless disqualification is waived by the parties in writing following disclosure.~~
- (4) ~~Any judicial officer may be appointed mediator under these LBRs. A judicial officer appointed as a mediator is subject to each LBR, FRCP, FRBP, and Federal Rule of Evidence (FRE) pertaining to alternative dispute resolution and mediation.~~

(c) **Mediation.**

- (1) **Time and Place.** ~~After consulting with all parties, the mediator must set a reasonable time and place for the mediation conference and promptly give the parties notice of the conference. The conference must be set as soon after entry of the mediation order and as far in advance of the court's final evidentiary hearing on the matter as is practicable. To ensure prompt dispute resolution, the mediator must establish the time for all mediation activities, including a deadline for the parties to act on a settlement or recommendation.~~
- (2) **Mediation Conference.** ~~Each mediation party, or an individual representing a nonindividual mediation party, must attend the conference and must have full authority to negotiate all disputed amounts and issues. The mediator may determine when the parties must be present in the conference room. The mediator must report to the judge a willful failure to attend or participate in the mediation process or conference in good faith, and that failure may result in the imposition of sanctions.~~

- ~~(3) **Orders.** The mediator has no authority to enter any order regarding the mediation. If the mediator desires entry of an order with respect to the mediation, the mediator must apply to the judge with notice to the parties.~~
- ~~(4) **Recommendations of the Mediator.** The mediator need not make any written comments or recommendations, but the mediator may furnish the parties with a written settlement recommendation, which must not be filed.~~
- ~~(5) **Postmediation Procedures.** Promptly after conclusion of the mediation conference, and in any event no later than 3:00 p.m. two business days before the date set for trial or hearing on the mediation matter, the mediator must file a final report on [LBF 210](#) or [LBF 210.5](#), whichever applies, showing compliance or noncompliance by the parties and the mediation results. If in the mediation the parties settle the matter, they must determine who must prepare and submit to the court a stipulated order or judgment under [LBR 9021-1\(b\)](#), or joint motion for approval of compromise of controversy, within 21 days after the conference concludes. Failure to timely file a stipulated order or judgment, or motion, will be a basis for the court to impose appropriate sanctions. Absent a stipulated order or judgment, or joint motion, no party will be bound by any statement made or action taken at the mediation conference. If the conference ends in an impasse, the matter will be heard or tried as scheduled.~~
- ~~(6) **Termination of Mediation.** When the mediator's final report on [LBF 210](#) or [LBF 210.5](#) is filed, the mediation will be complete and the mediator excused and relieved from further responsibilities in the matter without further order.~~
- ~~(7) **Withdrawal from Mediation.** A matter referred under this LBR may be withdrawn from mediation by the judge assigned to the matter. A party in interest, the UST, or the mediator may file a motion to withdraw a matter from mediation for cause.~~
- ~~(d) **Mediator Compensation.** The mediator's compensation will be on terms satisfactory to the mediator and the parties, and subject to court approval if the estate is to be charged with the expense. A request for compensation or reimbursement payments from the estate must be made in the form of a proof of claim under [LBR 2016-1\(a\)\(1\)](#). The claim must include separate itemizations of all time spent on premediation activity, mediation activity, and postmediation activity.~~
- ~~(e) **Confidentiality.**~~
 - ~~(1) **Mediator.** Confidential information disclosed by a party or by a witness in the course of the mediation must not be disclosed by the mediator. Except for the mediator's final report, all records, reports, or other documents received or made by a mediator while serving in that capacity are confidential.~~
 - ~~(2) **Mediation Effort.** [FRE 408](#) applies to mediation. Except as permitted under [FRE 408](#), no party may rely on or introduce as evidence in connection with any arbitration, judicial, or other proceeding the existence of or any aspect of the mediation effort, including, but not limited to:~~

- (A) ~~Views expressed or suggestions made by another party regarding settlement of the dispute.~~
 - (B) ~~Admissions made by another party in the course of the mediation.~~
 - (C) ~~Proposals made or views expressed by the mediator.~~
- (f) **Compliance with Orders, FRBPs, LBRs, and the Code.** ~~Nothing in this LBR relieves any party from complying with any order, FRBP, LBR, or the Code, including times set for discovery or preparation for a hearing pending on a mediation matter.~~

Rule 9021-1. Order or Judgment—Entry of; Costs.

(a) Circulation of Proposed Order or Judgment.

- (1) **When Required.** The proponent of an order or judgment must circulate it to all responding parties before lodging it with the court unless the proposed order or judgment:
 - (A) may be lodged concurrently with the motion or application under (b)(2) below,
 - (B) includes the signed statement of each responding party or its attorney that the party stipulates to entry of the order, agrees that it correctly reflects the court’s ruling, or waives circulation of it, or
 - (C) is approved by the court at a hearing on the motion, application, or complaint.
- (2) **Method.** A proposed order or judgment may be circulated as follows:
 - (A) by attaching the proposed order or judgment to and filing and serving it with the motion, application, or complaint that it would grant, if the court determines to grant the requested relief without modification; or

- (3) **Certificate of Compliance; Notice to Chambers of Unresolved Dispute.** Unless the proposed order is on an LBF, the proponent of an order or judgment for which circulation is required must certify that the proponent has complied with (2) above and that any applicable circulation period has expired or all responding parties have affirmatively approved the form of order or judgment. If a responding party timely objects to a proposed order or judgment and the objection is not resolved before the order or judgment is lodged, the proponent must so notify the court in writing, either in a certification of compliance required by this (3) or otherwise.

(b) Lodging of Proposed Order or Judgment.

- (1) **When Permitted.** A proposed order or judgment ~~that must be circulated~~ may not be lodged until **when** it is appropriate for the court to sign it, ~~i.e., the proponent has complied with (a) above.~~

(A) An order or judgment that must be circulated may not be lodged until the proponent has complied with (a) above.

(B) Except as provided in (C) and (D) below, no order may be lodged unless—

(i) the court has announced a decision and requested that an order or judgment be lodged; or

(ii) the time for filing an objection has expired and no objection has been filed.

(C) The proponent must lodge an order concurrently with the motion or application if—

(i) the order is combined with the motion or application in a single LBF;

(ii) the proponent seeks entry of the order without notice and a hearing pursuant to LBR 9013-1(b)(2)(F); or

(iii) the motion or application contains a certification that it is stipulated, agreed, or unopposed.

(D) An order or judgment that is stipulated, agreed, or unopposed may be lodged at any time.

~~(5)~~**(4)** **Form.**

(A) General. The top margin on the first page of any order or judgment must be 4", and devoid of all text except for optional line numbers, which must not be more than 3/4" from the left edge. All other pages must have a top and bottom margin of 1". A proposed order or judgment must:
